

Empowering Solo Agers

SoloAgersConnect.com is an online hub, for Solo Agers to easily locate information, services, and resources they need, connect to a Facebook community with similar interests, and develop friendships. Solo Agers include people 50 and older who are navigating the challenges of aging without the support of a spouse, children, or family nearby.

Information

Learn about issues and solutions that are important to you in the blogs in the Insights section of the website. Sign up for our monthly newsletter!

Resources

Connect with resources in one place without searching the web endlessly. Download helpful guides for free.

Service Providers
